****Whole Grain Tortilla Chips are available as an additional item for grades 9-12 on Mondays, Wednesdays & Fridays****

HARVEST OF THE MONTH: SWEET PEAS

Sweet peas are a good source of a B vitamin called Thiamin. Thiamin is important for a healthy nervous system. The nervous system is a system of electrical cables running all through our bodies that send signals to our brain so we can do all the things: feel, see, hear, and move our body! Thiamin also converts the food we eat into energy so we can learn, play, and grow.

Peas are a type of vegetable called a Legume. Legumes pack a double punch and count as both a vegetable and a protein!

Plant-proteins, like peas and beans, are different than animal proteins because they have fiber and phytonutrients (fy-toe-noo-tree-ents). Fiber and phytonutrients help fight serious diseases.

Hi there! Welcome to Capo Crunch! Join us every month for menu updates, wellness tips, nutrition knowledge & more!

4/12: GRILLED CHEESE FLATBREAD W/ MARINARA DIP

Grilled cheese sandwich made in our central kitchen with whole grain flatbread, Swiss & white American cheese served with a marinara cup for dipping.

4/28-30: HUMMUS, SUN CHIPS & STRING CHEESE

Sabra classic hummus served with whole grain sun chips and mozzarella string cheese.

4/18: CRISPY CHICKEN BITES & ANIMAL CRACKERS

Crispy chicken bites made with white whole muscle chicken meat. Served with whole grain berry animal crackers.

4/8: CHICKEN & CHEESE EMPANADA

Empanadas are like small pies you can hold in your hand. Ours is filled with chicken and mozzarella cheese. They are commonly eaten in Spain, South Europe, Latin America, and the Philippines.

4/25: ZUCCHINI BREAD

Sweet bread made with shredded zucchini.

FARM TO SCHOOL: STRAWBERRIES!

Spring brings juicy, red strawberries to California! Bright, delicious, and sweet, they are an excellent source of Vitamin C. You'll find California land dense with acres of strawberry fields and the farmers and farmworkers who grow and harvest this vibrant, healthy berry.

90% of the strawberries grown in the U.S. originate in California. Generations of dedicated farmers continue to produce their crops in healthy, sustainable ways. In fact, more organic strawberries are grown in California than anywhere in the world. Keep an eye out for strawberries at school this month!

APRIL

4/7 World Health Day

This year's theme is Health for All, with a goal that all people have good health for a fulfilling life in a peaceful, prosperous, and sustainable world.

4/12 National Grilled Cheese Day

Grilled Cheese used to be called a "Cheese Dream" and was just one piece of bread with a slice of cheese on top. In the 1960s, the second piece of bread was added on top and it was called a Grilled Cheese Sandwich.

4/21 National Chickpea Day

Chickpeas are also known as garbanzo beans. This powerful veggie is known as a legume because it grows in a pod. Legumes are a great source of protein for energy!

4/22 Earth Day

This year's theme is Invest In Our Planet. Investing in our planet is necessary to protect it and the best way to pave a path towards a prosperous future.
