FARM 2 SCHOOL: ORGANIC CARA CARA ORANGES

The cara cara is a true **winter gem**, known for their sweet flavor, low acidity, and pink-red flesh.

They are also nicknamed "power oranges" because they have even more **vitamin C** than regular oranges.

Cara Caras also have lots of **fiber**, which is good for digestion and helps lower cholesterol.

Our cara cara oranges are from **Da Silva Farms in Temecula!** That is only 48 miles from CUSD or about an hour's drive in the car.

Buying local, seasonal produce means enjoying food at its peak **flavor**, supporting **local farmers**, and making a positive impact on the **environment**.

Hi there! Welcome to Capo Crunch! Join us every month for menu updates, wellness tips, nutrition knowledge & more!
