### FARM TO SCHOOL: ORGANIC BASIL

We are adding California grown organic BASIL to our sauce for Penne with Meatballs recipe on October 27!

Our basil is from Rocket Farms, an organic California farm. Basil contains Vitamin K which helps with blood clotting.

### FILIPINO AMERICAN HISTORY MONTH

- Filipino-Americans are the second largest Asian American group in America.
- The first recorded presence of Filipinos in the continental United States occurred on October 18, 1587, when "Luzones Indios" came ashore from the Spanish galleon Nuestra Senora de Esperanza and landed at what is now Morro Bay, California.
- While most Filipinos today eat using a spoon and fork, the traditional way of eating is **kamayan**, or "with hands."
  - Try to eat mostly with one hand, keeping the second hand clean for drinking. Use your fingers to pinch the food into a clump at your fingertips (don't let it settle onto your palm).
- Chicken Adobo is a Filipino dish made with chicken marinated in spices, soy sauce, and vinegar. It is juicy, tangy and delicious!
  - We are making ours from scratch with **Mary's Air Chilled Chicken**.
  - Be sure to try it for lunch on Friday 10/13!
